

UK Military Aircraft Code Decode

This section lists the codes worn by some UK military aircraft and, alongside, the registration of the aircraft currently wearing this code. It should be pointed out that in some cases more than one aircraft wears the same code but the aircraft listed is the one believed to be in service with the unit concerned at the time of going to press. This list will be updated regularly and those with Internet access can download the latest version via the 'Military Aircraft Markings' Web Site, www.militaryaircraftmarkings.co.uk and via the Military Aircraft Markings Group, MilitaryAircraftMarkings@Groups.io. Recent changes in red.
